Hi Mr. Mike! Thanks so much for the comment! However, I think I may need an email confirmation for my hours from March 31st 2020 to April 1st 2021. I believe there's 55.5 hours within that time frame. If possible, could you reply to this email with that confirmation? Thank you so much!

Dear Mr. Mike,

Next, I wanted to ask if you could look through my Google Sheet and confirm the number of hours I've volunteered from 2020 until now. I'll attach it here. All you need to do is click on the spreadsheet and then click "LSS" on the bottom bar.
